## FACIAL CLEANSER GEL

### FREQUENTLY ASKED QUESTIONS

#### What is Cleanser?

Cleanser is a botanically based gel that gently sweeps away all skin dulling elements, including oil, dirt, pollutants, and even the toughest of makeup, without stripping skin of its natural moisture.

Maximise your Facial results when you wash your face with soap-free Cleanser before applying the deep hydration sheet mask. For a complete skin-care regimen, follow Cleanser with Toner and moisturise with PreventAge in the morning and RepairAge at night.

#### Why is Cleanser good for my skin?

Cleanser is a soap-free formula that uses botanical ingredients to gently cleanse and balance the skin. Its naturally based formula is gentle on the skin and rinses cleanly, leaving skin feeling soft, smooth, and balanced. It's a clean you simply have to feel to believe!

#### Can I use it on my body as well as my face?

Yes, Cleanser will give your body an all-over clean. Botanical extracts such as green tea, marigold, and camomile provide a pleasant, rejuvenating fragrance and give you full-body refreshment. Because it rinses clean with no soapy residue, Cleanser is ideal for removing impurities from the skin before using our best-selling Ultimate Body Applicator or Facial.

#### Can it be used as a shaving lather?

Yes, the silky, clean-rinsing lather of Cleanser will leave your skin feeling soft and smooth after using it as a shaving lather.

#### Can my children use this product?

All It Works! products are recommended only for adults 18 years old or older.

#### Is Cleanser safe for me to use if I am pregnant, nursing or have an ongoing medical condition?

Before using any new product, whether a nutritional supplement, topical cream or treatment, or any other item, you should always consult your physician to find out if it is safe for you.

#### I have sensitive skin. Is it still safe for me to try this product?

Do not use it until you talk with your physician. Always consult your physician before using any new facial creams, treatments or other topical products, especially if you have a history of rashes or other skin irritation.
