

NEW YOU™

Body Revitalizing Formula

PRODUCT INFORMATION

Turn back the hands of time from the inside out with New You! This one-of-a-kind longevity formula is designed to stimulate and support the production and release of the body's own human growth hormone.

- Stimulates natural production and release of HGH (human growth hormone)
- Aids in building lean muscle mass
- Enhances exercise endurance
- Helps improve sleep quality and memory

New enhanced formula now includes natural polyphenols that help improve blood supply to the muscles and help to reduce the harmful effects of free radicals for better post-workout recovery.

(90 Caplets)

SUGGESTED USE

Adults take 2 caplets before bedtime and 1 caplet in the morning as a dietary supplement.

Drink at least 8 glasses of water daily.

FREQUENTLY ASKED QUESTIONS

WHAT IS NEW YOU?

New You is a one-of-a-kind longevity formula designed to naturally stimulate and support the production and release of your body's own human growth hormone, allowing you to more easily build lean muscle and turn back the hands of time from the inside out!

- Stimulates natural production and release of GH (human growth hormone)
- Aids in building lean muscle mass
- Enhances exercise endurance
- Helps improve sleep quality and memory

New You also includes natural polyphenols that help improve blood supply to the muscles and help to reduce the harmful effects of free radicals.

WHAT ARE THE BENEFITS OF TAKING NEW YOU?

Your body's production of human growth hormone declines as you age. By using New You to stimulate your body's ability to naturally produce and release its own human growth hormone, you'll see improved sleep and memory, better post-workout recovery, enhanced exercise endurance, and increased lean muscle mass.

IS THERE A CERTAIN AGE TO START TAKING NEW YOU?

Because the body's production of human growth hormone begins to decline after the age of 30, most people will want to begin taking it at that age.

HOW OFTEN SHOULD I TAKE NEW YOU AND WHEN?

New You is designed to be taken twice daily. Take one caplet in the morning and two caplets at night.
