

HYDRATING TONER & FRESHENER

pH-Balancing Mist

PRODUCT INFORMATION

Mist your skin with this balancing toner for ultra-light hydration and pore-minimizing power. Hydrating Toner & Freshener is a soothing, alcohol-free formula that hydrates, tones, softens, and refreshes skin without stripping it of essential moisture. Aloe, chamomile, marigold, green tea, panthenol, and allantoin soothe, protect, and nourish the skin.

- Restores skin to its natural pH
- Tightens pores for a healthy-looking glow and more even skin tone
- Specially formulated to be ideal for all skin types
- Doubles as an excellent post-shaving treatment to soothe skin and banish bumps
- Also works great on sunburn, bug bites, and other minor skin irritations

DIRECTIONS

Mist over face and throat to tone the skin after cleansing with Cleanser Gel. Hydrating Toner & Freshener may, alternatively, be sprayed onto cotton pads and applied to the skin with gentle upward and outward strokes. Use throughout the day as needed to refresh, hydrate, and relax the skin.

FREQUENTLY ASKED QUESTIONS

WHAT IS HYDRATING TONER & FRESHENER?

It is a soothing, alcohol-free toner that hydrates, tones, softens, and refreshes your skin without stripping it of its essential moisture. Hydrating Toner & Freshener balances your skin, restoring it to its natural pH levels, and tightens your pores to give you more even skin tone and a healthy glow.

HOW DO I USE IT?

Mist Hydrating Toner & Freshener over your face and throat to tone the skin after washing with Cleanser Gel. It can also be applied by spraying it onto cotton pads and rubbing it into the skin. After cleansing and toning, be sure to follow with one of the It Works! rejuvenating moisturizers or treatments: RepairAge™, PreventAge™, Lifting Lip & Eye Cream, or Facial Applicator™. Hydrating Toner & Freshener can be reapplied throughout the day for an extra boost of refreshing rehydration and relaxation for the skin.

I'VE HEARD THAT THERE ARE OTHER USES FOR THE TONER; WHAT ARE THEY?

Because it is alcohol free, Hydrating Toner & Freshener is an excellent post-shaving treatment with hydrating and moisturizing properties to soothe the skin. It also works to calm the sting of sunburn, bug bites, and other minor skin irritations.

IS IT FORMULATED FOR A CERTAIN SKIN TYPE?

Hydrating Toner & Freshener is the perfect, pH-balancing toner for all skin types.
