

## PREVENTAGE™ Daytime Moisturizer

---

### PRODUCT INFORMATION

Wrinkles and other signs of aging begin forming years before they are clearly visible, so it is important to start using a daily rejuvenating moisturizer before they appear. PreventAge uses soothing botanical extracts and vitamins to help neutralize the harmful effects of environmental factors, such as damaging solar rays and pollutants, that contribute to the development of wrinkles and fine lines.

- Combats harmful effects of environmental factors
- Prevents appearance of wrinkles
- Rich in vitamins & botanical extracts
- Leaves skin soft and silky

### DIRECTIONS

Apply once or twice daily over cleansed skin in a gentle, circular motion. Can be used alone or under your sunscreen or makeup. When used in conjunction with RepairAge, use PreventAge in the morning and during the day, and use RepairAge as a night cream prior to bedtime.

## FREQUENTLY ASKED QUESTIONS

### WHAT IS PREVENTAGE?

Stop the signs of aging before they start with PreventAge, a cream gel that is rich in botanical extracts and vitamins to help neutralize the harmful effects of sun rays and other environmental factors that contribute to the premature aging of your skin.

### WHAT ARE THE BENEFITS OF PREVENTAGE?

PreventAge combats the appearance of aging skin by hydrating and nourishing. It uses soothing botanical extracts and vitamins—like aloe, green tea, and chamomile—to help neutralize the harmful effects of solar rays, pollutants, and other environmental factors that lead to skin wrinkling and premature aging. Plus, it leaves skin feeling silky smooth.

### HOW SHOULD I USE PREVENTAGE?

For a complete skin-softening, wrinkle-reducing regimen, apply PreventAge after washing your face with Cleanser Gel and misting it with Hydrating Toner & Freshener. Be sure to apply it with a gentle, circular massage to ensure it is fully absorbed into your skin. PreventAge can be used alone or under your sun screen, cream, or make-up.

### WHAT TYPE OF SKIN IS PREVENTAGE FORMULATED FOR?

PreventAge is good for all skin types, dry or oily, and for both men and women. It is especially designed for usage in and around the facial area.
