

## REPAIRAGE™ Nighttime Moisturizer

---

### PRODUCT INFORMATION

Think wrinkles are forever? Not anymore! RepairAge is a revolutionary moisturizing facial cream with a unique blend of herbal extracts that gives skin a more youthful appearance.

- Softens fine lines & wrinkles
- Improves skin tone & texture
- Firms and invigorates skin
- Promotes skin's natural glow
- Produces a tightening effect

### DIRECTIONS

Apply once or twice daily over cleansed skin in a gentle, circular motion. Can be used alone or under your sunscreen or makeup. When used in conjunction with PreventAge, use PreventAge in the morning and during the day, and use RepairAge as a night cream prior to bedtime.

## FREQUENTLY ASKED QUESTIONS

### WHAT IS REPAIRAGE?

Think wrinkles are forever? Think again! RepairAge is a revolutionary, moisturizing facial cream with a unique blend of herbal extracts that will give your skin a rejuvenated, more youthful appearance.

### WHAT ARE THE BENEFITS OF REGULAR USE?

You'll turn back the hands of time and see noticeable results! Your complexion will look smoother and softer. The appearance of fine lines and other skin irregularities will diminish. Your skin will feel more toned and firm. With consistent use, the ingredients in RepairAge can help boost your skin's natural glow, tone, and texture.

### HOW SHOULD I USE REPAIRAGE?

For a complete skin-softening, face-rejuvenating regimen, apply RepairAge after washing your face with Cleanser Gel and misting it with Hydrating Toner & Freshener. Be sure to apply it with a gentle, circular massage to ensure it is fully absorbed into your skin. RepairAge can be used alone or under your sun screen, cream, or make-up.

### WHAT TYPE OF SKIN IS REPAIRAGE FORMULATED FOR?

RepairAge is good for all skin types, dry or oily, and for both men and women. It is especially designed for usage in and around the facial area.

## INGREDIENTS
