WELCOME TO

Welcome to the It Works! Compensation Plan,¹ your guide to achieving your optimum earnings potential, reaching your financial goals, and fulfilling your dreams for a life filled with friendships, fun, and, best of all, FREEDOM! Whether your goal is to pay off your mortgage, send your kids to college, or quit your job to spend your days however you choose, the It Works! Compensation Plan can help you achieve it![†]

ARE YOU READY TO LEARN HOW? WELL, LET'S GET STARTED!

RELATIONSHIP BUILDING—AND EARNING!

At It Works!, we believe in the power and potential of people. Connecting with people is how you can build a successful business and income with It Works! How you earn and how much you earn starts with the three distinct people that make up your It Works! business.[†]

- **Retail Customers:** These are customers who make a one time, retail price purchase of It Works! products. When you make a Retail Customer sale, you earn your commission.
- **Loyal Customers:** Loyal Customers are your customers who sign up with It Works! for the minimum three month auto-ship agreement for their product orders or pay a Membership Fee and in exchange, receive wholesale pricing on all of these products. With sales to Loyal Customers, you earn a percentage commission. This commission will be paid by It Works! The main pillar of the It Works! Business is the sale to Loyal Customers. The more customers you have the more you will earn—directly through your own commissions and indirectly by the sales commissions of your team of Distributors. A Loyal Customer is not a Distributor and may not participate in the Compensation Plan.[†]
- **Distributors:** Distributors are members of your team who have completed the Distributor enrollment process and want to build a business. You will earn commissions on your sales volume and the sales volume in your downline at the levels for which you are qualified.

Auto-ship is an optional preorder system that is useful for Distributors and Loyal Customers who want a regular supply of products and don't want the hassle of placing repeat orders. We offer discounts on special auto-ship package preorders as it assists in our sales forecasts.

If you choose to build your organisation of Distributors and start to promote, the number of pay levels will increase and your income will continue to grow. The bigger the sales team that you build, the more money you can make. This is why building your sales team by investing your effort, energy, and time in others will help you maximise your earnings.[†]

It Works! allows Distributors to split the enrollment and placement of Distributors but does not allow split enrollment and placement of Loyal Customers. It Works! recommends that to maximise your earnings, Distributors should maintain the enrollment of their Distributors and Loyal Customers. If you choose to change placement of a Distributor, it may impact your commissions.

¹All references to income, implied or stated, through the It Works! Compensation Plan are for demonstration purposes only. It Works! does NOT guarantee any level of income or earnings to any Distributor.

[†]Earnings of participants in the Compensation Plan may vary. Please see the Statement of Typical Participant Earnings on page 20.

YOUR FIRST 30 DAYS

1 BECOME COMMISSION QUALIFIED

In order to start earning your commissions on your It Works! business, you need to be Distributor Commission Qualified. This enables you to earn commissions on the Bonus Volume from your Loyal Customer and Distributor sales. †

If you aren't Commissions Qualified or if it is after your enrollment month, you must complete one of the following to be Commissions Qualified:

- Enroll with the Business Builder Kit (0 BV) OR
- Have at least 150 Personal Bonus Volume for the month OR
- Choose to process an optional minimum 80 BV auto-shipment

VOLUME DEFINITIONS:

Bonus Volume (BV):

Bonus Volume is the assigned value of a product for the purpose of qualification and calculation of bonuses and commissions for Distributors.

Personal Bonus Volume (PBV):

PBV is the sum of the Bonus Volume from a Distributor's personal retail sales and all personally enrolled Loyal and Retail Customer sales.

Group Volume (GV):

GV is the sum of your PBV plus the PBV of every Distributor in your downline organization.

2 GET REWARDED WITH WRAP REWARDS!

As you continue to enroll Loyal Customers you'll earn Wrap Rewards you can use to purchase the It Works! Wrap™ or the Facial Applicator™ at a reduced price. You earn one Wrap Reward for every two Qualified Active Loyal Customers you enroll. These rewards are good for 60 days from the date they are applied to your account.

BECOME FAST START BONUS QUALIFIED

The Fast Start Bonus is a cash bonus equal to the CAD equivalent of 100 USD that you can earn by enrolling new Distributors who meet the Fast Start Bonus qualifications in their first 30 days. To earn the bonus, you need to be Fast Start Bonus qualified.[†]

HOW TO BE FAST START BONUS QUALIFIED

DISTRIBUTOR:

- Purchase a Business Builder Kit (no BV).
- Generate 150 in PBV or process an optional minimum 80 BV auto-shipment within your first 30 days.²

QUALIFIED ACTIVE
LOYAL CUSTOMER (1)

QUALIFIED ACTIVE
LOYAL CUSTOMER (2)

Once you have met all of the requirements, you can earn Fast Start Bonuses on any of your qualified Distributors that are still within their first 30 days.²

² You don't have to be Fast Start qualified yourself when you enroll a new Distributor, but you do need to become Fast Start Bonus Qualified within your new Distributor's first 30 days in order to collect a Fast Start Bonus on the new Distributor. If the new Distributor does not process 150 PBV or the optional minimum 80 BV auto-shipment order within their first 30 days, the Fast Start Bonus will be recovered through a commission adjustment.

[†]Earnings of participants in the Compensation Plan may vary. Please see the Statement of Typical Participant Earnings on page 20.

START CLIMBING THE RANKS

All new enrolling Distributors will start with the title of Distributor once they have completed the enrollment process and purchased an It Works! Distributor enrollment kit. All Distributors must be sales Commission Qualified for the month in order to earn commissions. All Distributors will earn 10% commission on their first two levels and a 5% enroller bonus for the personally enrolled Distributor's sales or Loyal Customer's sales. To earn commissions on additional levels you will need to promote to a higher rank. The following pages provide the qualifications that must be met to be paid at each rank along with the monthly commissions and bonuses that you will be paid at those ranks. All monthly commissions are paid by the end of the day on the 15th of the following month and are based on the paid ranks of Distributors for the current month.†

Leg:

Each Independent Distributor on your first level represents a separate "Leg" in your team. Legs in your organization grow as your first-level Distributors begin to build their own teams (downlines).

Qualified Leg:

A Qualified Leg is one with at least 400 total Group Volume coming from anywhere in the depth of the Leg. The top Distributor of a Leg does not have to be Commission Qualified for the Leg to be considered a Qualified Leg.

Compression:

During the commission process, commissions are "compressed" to allow you to earn commission on sales originating further down in your organization if there are Distributors above those sales that are not Commission Qualified. Only Distributors that are Commission Qualified will count as a level during the commission calculation process. Any Personal Bonus Volume generated from Distributors who are not Commission Qualified is compressed up and paid out as first level residual commissions to the next Commission Qualified Distributor in the genealogy. Distributors and Loyal Customers are never physically moved up in the genealogy if a Distributor above them cancels their distributorship or is not Commission Qualified for any reason. Only the Personal Bonus Volume will compress up. This Personal Bonus Volume that is compressed up cannot be used by the upline Distributor for qualification purposes. Enroller bonuses do not compress.

Please note: A Distributor does not earn commissions on personal orders or on orders that other Distributors place directly under them.

†Earnings of participants in the Compensation Plan may vary. Please see the Statement of Typical Participant Earnings on page 20.

LEADERSHIP LEVELS

**When you reach Diamond you've reached the Leadership Level,
a "Whole' Notha Level" of bonuses and income earnings potential!†**

GENERATION BONUSES

Every new Diamond is a new generation—literally! Each new Diamond that promotes in a Distributor's downline starts a new **Generation** in that Leg and the generation is made up of the Diamond's **Personal Group Volume**.

Generation:

Each new Diamond that promotes in your downline starts a new generation in that Leg and the generation is made up of the Diamond's PGV.

The Personal Group Volume (PGV):

The PGV is your Personal Bonus Volume combined with the Personal Bonus Volume of all Distributors in your downline outside of any Diamonds or higher in each Leg.

With every new generation comes a Generation Bonus. Diamonds and above can earn Generation Bonuses on up to five generations based on their paid-as rank. As a Diamond, you will be paid a 2% sales commission on your first generation, your PGV. Reach Double Diamond and you're paid a 4% sales commission on your second generation, and so on. With each promotion comes another generation you can earn bonuses on. These bonuses are paid on the Personal Group Volume and are paid with the monthly commissions. See the Diamond Generation Payouts chart, page 8.†

When members in your team that you have personally enrolled achieve the rank of Diamond or higher and you are also a Diamond or higher, you receive a 5% Generational Enroller Bonus on their PGV.

†Earnings of participants in the Compensation Plan may vary. Please see the Statement of Typical Participant Earnings on page 20.

DIAMOND BONUS

Congratulations, as a Diamond or above, you have now reached the Leadership Levels. You're meeting your goals, building your team, and increasing your earnings. Your leadership skills have brought you this far and we believe you should be rewarded with a bonus that is just for our Leadership Level Distributors.

By reaching the Leadership Level, you now have the chance to seriously impact your monthly earnings by taking advantage of our Diamond Bonuses. Diamond Bonuses are paid to the Leadership Level Sponsors of a new Distributor who meets the qualifications listed below. By promoting to the Diamond level, you now get the chance to become a Leadership Level Sponsor and are able to tap into a whole new stream of bonuses.[†]

Every new Distributor is assigned a Leadership Level Sponsor upon enrollment, for each Leadership Level, from Diamond up to Ambassador Diamond. These five Leadership Level Sponsors might be five different Sponsors or they might all be the same Sponsor depending on who the Distributor's enroller is. If the enroller of the new Distributor is not a Diamond or higher, then the Leadership Level Sponsors for the new Distributor will match that of the enroller. If the enroller of the new Distributor is a Diamond or higher the enroller will be the Leadership Level Sponsor for each level up to their rank and the rest of the Sponsors will match that of the enroller.

If you are at the Diamond rank, then any new Distributors you enroll after reaching the rank of Diamond will have you listed as their Diamond Level Sponsor. You will also be the Diamond Level Sponsor of every new Distributor enrolled under these new Legs until a new Diamond promotes anywhere in the downline. At that time, the new Diamond will become the Diamond Level Sponsor for any new Legs they create but you will continue to be the Diamond Level sponsor for all of their previous Legs.

If you are at the Double Diamond rank, then any new Distributors you enroll after reaching the rank of Double Diamond will have you listed as their Diamond and Double Diamond Level Sponsor. You will also be the Diamond and Double Diamond Level Sponsor of every new Distributor enrolled under these new Legs until a new Diamond promotes anywhere in the downline. At that time, the new Diamond will become the Diamond Level Sponsor for any new legs they create but you will continue to be the Double Diamond Sponsor in the new Legs and both the Diamond and Double Diamond Level sponsor for all of their previous Legs. Leadership Level Sponsorship follows this pattern up through the Ambassador Diamond rank.

[†]Earnings of participants in the Compensation Plan may vary. Please see the Statement of Typical Participant Earnings on page 20.

DIAMOND BONUS (CONT.)

Diamond Bonus Qualifications:

Within the first 30 days a new Distributor must enroll with a Business Builder Kit, personally enroll two Qualified Loyal Customers, and generate 150 in PBV or process an optional minimum 80 BV auto-shipment. The bonus will be paid with the monthly commissions for the month that all of these qualifications have been met. These bonuses will be recovered if either of the two Loyal Customers fails to complete the Loyal Customer agreement or if the Distributor returns their Business Builder Kit or their qualifying auto-shipment.

In order to earn the Diamond Bonus, you must be Fast Start Bonus qualified and be qualified at the Paid As bonus level for the month the bonus is paid. For example, if you were previously a paid-as Triple Diamond but during one month you only qualified as a Diamond, during that month you would only be paid your Diamond Bonuses and you would lose any Double or Triple Diamond Bonuses that would have paid out if you qualified as a Triple Diamond.

Diamond Bonuses are paid out according to the Leadership Level Sponsors for each new Distributor who meets the qualifications within the time limits. As Distributors promote up through the Leadership Level ranks, it's important to create new Legs at each rank to take advantage of being the assigned Leadership Level Sponsor at the new rank. With each Leadership Level promotion, you will be creating Legs where you are the assigned Leadership Level Sponsor for more levels and additional bonuses are paid at each level.

Leadership Level Sponsors are assigned based on lifetime title, not paid-as rank. This means that if your lifetime rank is a Triple Diamond but you only qualified as a Diamond for a month, the new Distributors you enroll during that month will still list you as their Diamond, Double Diamond, and Triple Diamond Level Sponsors.

DIAMOND BONUS PAYOUT WITH EACH LEVEL[†]

Rank	Diamond Bonus
DIAMOND	The CAD equivalent of 80 USD for each new qualifying Distributor who is in the Diamond Leadership Level Sponsor Leg.
DOUBLE DIAMOND	The CAD equivalent of 40 USD for each new qualifying Distributor who is in the Double Diamond Leadership Level Sponsor Leg.
TRIPLE DIAMOND	The CAD equivalent of 15 USD for each new qualifying Distributor who is in the Triple Diamond Leadership Level Sponsor Leg.
PRESIDENTIAL DIAMOND	The CAD equivalent of 10 USD for each new qualifying Distributor who is in the Presidential Diamond Leadership Level Sponsor Leg.
AMBASSADOR DIAMOND	The CAD equivalent of 5 USD for each new qualifying Distributor who is in the Ambassador Diamond Leadership Level Sponsor Leg.

LOYAL CUSTOMER BONUS (formerly Car Bonus)

Gathering Loyal Customers and providing them with excellent service is just as important as building a team of Distributors. The Loyal Customer Bonus rewards you for doing just that!

Personally enroll and maintain a minimum of 60 Qualified Active Loyal Customers⁹ and accumulate 3,000 Personal Bonus Volume for the month and you're qualified for the CAD equivalent of 600 USD Loyal Customer Bonus. This bonus will be paid out every month that both of these requirements are met. †

⁹The Loyal Customers do not have to have an active auto-shipment as long as they have completed the minimum three month agreement.

†Earnings of participants in the Compensation Plan may vary. Please see the Statement of Typical Participant Earnings on page 20.

GLOSSARY OF TERMS

Bonus Volume (BV):

Bonus Volume is the assigned value of a product for the purpose of qualification and calculation of bonuses and commissions for Distributors.

Clawback:

Recovery of commissions from a return order that a Distributor was paid on in a past commission month. Distributors will see the clawback for each return order on their Earnings Statement. If a Distributor earned more than one type of commission or bonus on an order that was later returned, they will see the order listed more than once in the Product Return section of their Earnings Statement. The order will be listed once for each commission or bonus type that the Distributor was paid for on the original order.

Commission Qualified[†]

To be Commission Qualified during a monthly commission period, a Distributor must complete **ONE** of the following:

1. Purchase a Business Builder Kit during the calendar month (one time only).

OR

2. Have at least 150 PBV.

OR

3. Successfully process a minimum 80 BV auto-shipment during the calendar month. (Just having a minimum 80 BV auto-shipment set up does not make you Commission Qualified, it must have already processed).

Commission Qualified Distributor:

A Distributor who is Commission Qualified during the current commission month (see Distributors definition on next page)

Compression:

During the commission process, commissions are “compressed” to allow you to earn commission on sales originating further down in your organization if there are Distributors above those sales that are not Commission Qualified. Only Distributors that are Commission Qualified will count as a level during the commission calculation process. Any Personal Bonus Volume generated from Distributors who are not Commission Qualified is compressed up and paid out as first level residual commissions to the next Commission Qualified Distributor in the genealogy. Distributors and Loyal Customers are never physically moved up in the genealogy if a Distributor above them cancels their distributorship or is not Commission Qualified for any reason. Only the Personal Bonus Volume will compress up. This Personal Bonus Volume that is compressed up cannot be used by the upline Distributor for qualification purposes. Enroller bonuses do not compress.

Compression Example: Sally is Commission Qualified in the month of March and has an order placed on her 3rd level by Bill who is also Commission Qualified. One of the two Distributors between Sally and Bill does not become Commission Qualified in March. This will cause Bill’s order to be paid on Sally’s 2nd level instead of her 3rd level.
