### FREQUENTLY ASKED QUESTIONS

#### When and how do I use Hydrating Facial Mask?

Take just 30 minutes up to twice per week to see the powerful benefits of the Hydrating Facial Mask. To use, first cleanse your skin before unfolding one sheet mask and applying the lotion side over your face. Smooth out any creases, then leave on for 30 minutes before removing and gently massaging in any remaining lotion. You'll see impressive, progressive results when used as part of your weekly skincare routine.

#### Why should I use Hydrating Facial Mask?

Hydrating Facial Mask provides an intense boost of hydration to the skin in as little as 30 minutes. Hyaluronic acid provides deep moisturization, which works to promote a youthful appearance by plumping, softening, and smoothing the skin. The formula also contains powerful, anti-aging ingredients Vitamin E and Kombucha to help brighten and tone your complexion. By using the Hydrating Facial Mask, you'll help reduce the appearance of fine lines and wrinkles, revitalize your complexion, and become visibly radiant and glowing.

#### What are some of the key, active ingredients in Hydrating Facial Mask?

Hydrating Facial Mask is created with results-driven ingredients, including:

- **Hyaluronic Acid** – Intense moisturization that improves skin softness, smoothness, and suppleness
- **Vitamin E** – Helps brighten the skin, reduces the appearance of dark spots, and promotes an even skin tone
- **Kombucha** – Organic acids in Kombucha act as a mild exfoliant to help to remove excess dead skin cells and create the appearance of luminous, radiant, and refreshed skin
- **Cassia Angustifolia Seed** – Has a moisturizing, hydrating, and plumping effect that helps reduce the appearance of wrinkles. This ingredient complements Hyaluronic Acid, providing a strengthened boost of hydration for the skin

#### How do Hyaluronic Acid and Cassia Angustifolia Seed work together?

The two ingredients complement each other by providing two sources of deep hydration that result in an intense boost of moisture for the skin with firming, plumping, and anti-aging results over time.

#### Does Hydrating Facial Mask contain gluten?

Hydrating Facial Mask is formulated with only gluten-free ingredients. It is not currently tested to detect gluten that may or may not be introduced during the manufacturing process.

#### Can I allow my children to use Hydrating Facial Mask?

Hydrating Facial Mask is recommended only for adults, ages 18 and older.

#### Can I use Hydrating Facial Mask if I am pregnant, nursing, taking medication, or have a medical condition?

Before using any new product, we suggest that you consult your physician to find out if it is right for you.
