TONER

BALANCING MIST

FREQUENTLY ASKED QUESTIONS

What is Toner?

It's a soothing, alcohol-free toner that hydrates, tones, softens, and refreshes your skin without stripping it of its essential moisture. Toner balances your skin, tightens and lessens the appearance of pores to give you more even skin tone.

How do I use it?

Mist Toner over your face and neck to tone the skin after washing with Cleanser. It can also be applied by spraying onto cotton pads and rubbing it into the skin. For a complete skin-renewing regimen, moisturize with PreventAge™ in the morning and RepairAge™ at night after cleansing and toning. Toner can be reapplied throughout the day for an extra boost of refreshing hydration and relaxation for your skin.

I've heard that there are other uses for the Toner; what are they?

Because it is alcohol free, Toner is an excellent post-shaving treatment with hydrating and moisturizing properties to soothe the skin.

Is Toner formulated for a certain skin type?

It is the perfect, balancing toner for all skin types.
