FREQUENTLY ASKED QUESTIONS

What is Lip & Eye and what is it designed to do?

Lip & Eye is a moisturizing cream gel designed specifically for the delicate lip and eye area. This cream uses soothing botanicals to leave skin feeling soft and smooth, improving skin tone and texture, while creating a lifting tensor effect for a more youthful appearance.

What are the benefits of using Lip & Eye?

Lip & Eye uses moisturizing botanicals, like aloe and jojoba, to deeply hydrate and improve the look of your skin. It lessens the look of fine lines, wrinkles, bags, and puffiness by creating a tensor effect for an even more beautiful you!

Can it reduce puffiness or bags under my eyes?

Lip & Eye provides a tensor effect. What does that mean? It means that Lip & Eye smooths the skin immediately for a lifted appearance and restores it to its youthful radiance. This can help to lessen the look of fine lines and wrinkles, and tighten and firm the area under the eye to help minimize the baggy appearance.
