DIRECTIONS

Spread a generous, even layer of Exfoliating Peel over face and neck. Leave on for 5 to 10 minutes. Rinse with cool water to remove. Recommended for use twice a week.

Caution: Avoid contact with eye/lip area and damaged skin. Should contact occur, rinse thoroughly with water. This product contains alpha hydroxyl acids (AHAs) that may increase skin sensitivity to sun and the possibility of sunburn. Use sunscreen, wear protective clothing, and limit sun exposure while using this product. Use only as directed. Do not use on dry, damaged, sun-exposed or broken skin.

Individual results can and will vary. It Works! cosmetic products are purely cosmetic in nature and do not claim to cure/treat/prevent any skin & hair related disorders. If you are allergic to any ingredients listed, or are under treatment or on medication for your skin, please consult with your physician prior to use.

EXFOLIATING PEEL

TAKE IT ALL OFF!

FREQUENTLY ASKED QUESTIONS

What is the Exfoliating Peel

The Exfoliating Peel is a gentle, at home peel that boosts your skin's natural renewal with a bounty of botanical and fruit extracts that strip away the dead skin cells, excess oil, and daily debris that clog your pores and age your face. By peeling away these skin-dulling elements, Exfoliating Peel helps to reveal softer, smoother, healthier-looking skin and lets the more youthful, luminous you shine!

Is the Exfoliating Peel similar to a chemical peel that you would get from a dermatologist?

The Exfoliating Peel is a mild, in-home version of a chemical peel you would have done at a dermatologist office. The Exfoliating Peel uses botanically based glycolic acid, lactic acid, and fruit acids to boost your skin's natural renewal, rather than the harsh chemicals and irritants found in some chemical peels.

Will the Exfoliating Peel help acne?

The Exfoliating Peel is not specifically for the treatment of acne, but does help strip away dead skin cells and excess oil, which can help in the prevention of acne.

Is the Exfoliating Peel safe for all skin types?

Yes, the Exfoliating Peel is safe to use on all skin type. Do not apply Exfoliating Peel to skin that is burned, damaged, or irritated. If you have dry skin, apply the It Works! Facial™ after using Exfoliating Peel for a deeply hydrating experience!

How often should I use the Exfoliating Peel?

For best results, use the Exfoliating Peel twice a week.

How long should I leave on the Exfoliating Peel before rinsing off?

The Exfoliating Peel should be left on for 5 to 10 minutes. If burning or irritation occurs, rinse off immediately.

What should I do to prep my skin for the Exfoliating Peel?

You will experience best results with a clean face, so be sure to wash with It Works! gentle, soap-free Cleanser before applying the Exfoliating Peel.

Should I use anything after the Exfoliating Peel?

Maximize your results by following the Exfoliating Peel with Facial™. Your face is clean, clear, and your pores are open to better absorb Facial's moisturizing cream.

Can you use the Exfoliating Peel while pregnant or nursing?

Yes, Exfoliating Peel is safe for use while pregnant or nursing. If you have concerns, please consult your physician before using.
