

## PRODUCT INFO

# IT WORKS! CLEAR

## JUST BREATHE

0.17 fl. oz./5 mL

I know how crazy life can get. That's why you need a focused, level-headed, organizer who can help you bring it all back to the basics and keep your mind clear. Hence my name—It Works! CLEAR!

With a clearing blend of two eucalyptus oils, stimulating peppermint, elevating myrtle, peppery elemi, and the freshness of cypress oil, I'll help bring everything into crisp, clear focus.

Life is so much better when everything is clear, so clarify your thoughts and just breathe!

100% Natural and Non-GMO

## DIRECTIONS

Use It Works! CLEAR by applying topically or diffusing aromatically.

### TOPICALLY

Apply 1-2 drops on your hands or flex points. Dilute as needed for skin sensitivity with It Works! Fractionated Coconut Oil by mixing 1-2 drops of It Works! CLEAR with 1 teaspoon (5 mL) or more of It Works! Fractionated Coconut Oil and apply with a gentle massage. We recommend always patch testing an area of your inner arm first prior to applying topically. If you have sensitive skin, it is recommended to always use the It Works! Fractionated Coconut Oil. A good rule of thumb is to dilute whenever unsure.

### AROMATICALLY

Sit back and breathe in It Works! CLEAR anytime and anywhere with the Essential Diffuser. Fill the Essential Diffuser with 50mL of water. Add 2-3 drops of It Works! CLEAR to the water in the Essential Diffuser. Replace the upper cover and press the power button. Just breathe as the ultra-fine, clarifying mist fills the room!

## INGREDIENTS

Eucalyptus globulus (Eucalytus / Eucaliptus) Leaf Oil, Mentha piperita (Peppermint / Menta) Leaf/Stem Oil, Cupressus sempervirens (Cypress / Ciprés) Oil, Litsea cubeba (May Chang / May Chang) Oil, Myrtus communis (Myrtle / Mirtó) Oil, Pimenta racemosa (Ciliment / Pimenta Racemosa) Leaf Oil, Eucalyptus radiata (Eucalyptus / Eucaliptus) Oil, Canarium luzonicum (Elemi / Elemí) Gum Nonvolatiles.

100% Natural and Non-GMO

## FREQUENTLY ASKED QUESTIONS

### What are the It Works! Essential Oils?

Extracted directly from the bark, flower, fruit, leaf, seed or root of a plant or tree, all the oils in the plant are concentrated into a single essential oil. Each of the It Works! Essential Oils is a specially formulated blend of highly concentrated pure essential oils, selected for their unique aromas.

### What is the It Works! CLEAR essential oil blend?

It Works! CLEAR includes two eucalyptus oils, stimulating peppermint, elevating myrtle, peppery elemi, and the freshness of cypress oil.

### Where do the essential oils found in It Works! CLEAR come from?

The quality of our essential oils starts with the source! The essential oils found in our blends come from crops grown around the world in countries where the climate and soil are best for them. These crops are cultivated by established growers, many of them multigenerational family farmers.

It Works! CLEAR Essential Oils	Country of Origin
<i>Eucalyptus globulus</i> (Eucalyptus / Eucaliptus) Leaf Oil	China
<i>Mentha piperita</i> (Peppermint / Menta) Leaf/Stem Oil	United States
<i>Cupressus sempervirens</i> (Cypress / Ciprés) Oil	Spain
<i>Litsea cubeba</i> (May Chang / May Chang) Oil	China
<i>Myrtus communis</i> (Myrtle / Mirto) Oil	Tunisia/ South Africa
<i>Pimenta racemosa</i> (Cilimint / Pimenta Racemosa) Leaf Oil	West Indies
<i>Eucalyptus radiata</i> (Eucalyptus / Eucaliptus) Oil	South Africa
<i>Canarium luzonicum</i> (Elemi / Elemi) Gum Nonvolatiles	France

### When should I use It Works! CLEAR?

Use It Works! CLEAR whenever you need to bring everything into crisp, clear focus.

- **End of day focus!** You've had BOOMTIME, you've followed with It Works! DEFEND, now you need to clear your mind to end the day strong! Just add a couple of drops to the Essential Diffuser.
- **When you want to wake up clear!** Dilute a few drops of It Works! CLEAR with It Works! Fractionated Coconut Oil and massage into your neck and chest before going to bed, or add to the Essential Diffuser before bedtime.

### FREQUENTLY ASKED QUESTIONS

#### What if I experience skin discomfort or irritation when applying any It Works! Essential Oils topically?

If discomfort or irritation occurs when applying the It Works! Essential Oils directly to your skin, discontinue use of It Works! Essential Oils immediately. Never use water in an attempt to flush the oil off the skin (water and oil don't mix!). This may increase discomfort.

#### Where can the It Works! Essential Oils be applied on the skin?

Apply 1-2 drops of It Works! Essential Oils to your hands or flex points—the feet, hands, and wrists. It's best to stay away from sensitive areas (such as eyes, ears, and mucous membranes) when applying the It Works! Essential Oils topically. If you have concerns about your skin's sensitivity, dilute your It Works! Essential Oils as needed with It Works! Fractionated Coconut Oil by mixing 1-2 drops of essential oil with 1 teaspoon (5 mL) or more of It Works! Fractionated Coconut Oil and apply with a gentle massage.

#### What is the grade/quality of the oils used in the It Works! Essential Oils?

All of the oils used within the It Works! Essential Oil Blends are 100% pure, unadulterated oils—meaning they are never extracted or “cut” with chemicals or substances, contain no synthetics, and the natural properties are never altered, added, or removed. Just like all It Works! products, our It Works! Essential Oils are held to the highest degree of quality for their botanical ingredients.

#### How do we ensure that we have the highest standards of sources, purity, and extraction for It Works! Essential Oils?

Our essential oils researchers and formulation experts have over a century's experience in essential oil production to ensure our oils are sourced from only the highest-quality botanical sources and go through a series of quality testing and verification before they ever make it into the bottle! All this ensures the It Works! Essential Oils are 100% pure—never extracted or “cut” with chemicals or substances, contain no synthetics, and the natural properties are never altered, added, or removed.

**Sourcing:** The pure quality of our essential oils starts with the source! The essential oils found in our blends come from crops grown around the world in countries where the climate and soil are best for them. These crops are cultivated by established growers, many of them multigenerational family farmers. All these growers go through a qualification program which ensures source specifications, standards, and compliance.

**Extraction:** The extraction of our essential oils also starts with the source, as all of the oils are derived either by cold pressing straight from the field or by steam distilling right in the fields where their plant sources are harvested!

**Testing:** Each individual essential oil used in the It Works! Essential Oil Blends goes through a five-step testing process to ensure it meets quality specifications for color, fragrance, density, and refractive index before finally going through Gas Chromatography/Mass Spectrometry testing for its natural chemical components. Then once blended together, each blend of It Works! Essential Oils—It Works! BOOM, CHILL, DEFEND and CLEAR—goes through this same five-step testing process again, before it ever makes it into the bottle!

# IT WORKS! CLEAR

## JUST BREATHE

### FREQUENTLY ASKED QUESTIONS

#### Why are It Works! Essential Oils not “therapeutic” grade?

There is no governmental regulating body that grades or certifies essential oils as “therapeutic grade” or “aromatherapy grade.” All of the oils used within the It Works! Essential Oil Blends are 100% pure, meaning they are never extracted or “cut” with chemicals or substances, contain no synthetics, and the natural properties are never altered, added, or removed.

#### How should I store my It Works! Essential Oils?

Your It Works! Essential Oils are packaged in darkened glass containers, which are designed to block sunlight, as it can cause the natural properties of the It Works! Essential Oils to deteriorate. Exposure to heat and oxygen can also cause deterioration, so be sure you store them within their glass bottles with the lids tightly closed and in a cool place.

#### Will my It Works! Essential Oils expire?

The freshness and quality of your It Works! Essential Oils are guaranteed! Look on the bottom of each of your It Works! Essential Oils bottles and you’ll find an expiration date.

#### Can I use It Works! Essential Oils if I have a medical condition or if I’m taking prescription medication?

If you have a medical condition, health concern, or are taking prescription medications, we strongly recommend you consult your physician before using It Works! Essential Oils.

#### Can I use It Works! Essential Oils if I am pregnant or nursing?

We suggest that you consult your physician prior to using any of our products if you are pregnant or nursing.

#### Can I use It Works! Essential Oils on children?

All It Works! products are recommended only for adults 18 years old or older.
