ESSENTIAL CARRIER OIL

FREQUENTLY ASKED QUESTIONS

What is It Works! Fractionated Coconut Oil?

It Works! Fractionated Coconut Oil is an all-natural carrier oil that can be used to dilute the It Works! Essential Oils to the ideal concentration for your skin without diminishing their natural properties. Colorless and odorless, it won't alter the fragrance of your essential oils—it enhances them! It can also enhance your skin, leaving even the driest skin feeling soft, silky, and smooth. Simply add any of your favorite It Works! Essential Oils to the It Works! Fractionated Coconut Oil for a combination that's perfect for you!

How do I use It Works! Fractionated Coconut Oil?

It Works! Fractionated Coconut Oil is the perfect companion for when you're applying your It Works! Essential Oils topically. Depending on your skin's sensitivity, dilute your It Works! Essential Oils as needed with It Works! Fractionated Coconut Oil by mixing 1-2 drops of essential oil with 1 teaspoon (5 mL) or more of It Works! Fractionated Coconut Oil and apply to skin.

We recommend always patch testing an area of your inner arm first prior to applying topically. If you have sensitive skin, it is recommended to always use the It Works! Fractionated Coconut Oil. Rule of thumb, dilute whenever unsure.

Can I apply the It Works! Essential Oils topically without It Works! Fractionated Coconut Oil?

It Works! Essential Oils are highly concentrated, 100% pure essential oils. Because of their purity, they could cause irritation when applied directly to the skin, especially if your skin is sensitive. As a carrier oil, It Works! Fractionated Coconut Oil ensures that the It Works! Essential Oils are comfortable when applied topically.

Dilute your It Works! Essential Oils as needed with It Works! Fractionated Coconut Oil by mixing 1-2 drops of essential oil with 1 teaspoon (5 mL) or more of It Works! Fractionated Coconut Oil and apply with a gentle massage.

If you are going to apply It Works! Essential Oils topically without It Works! Fractionated Coconut Oil, we recommend always testing your skin for sensitivity first. Then simply place 1-2 drops of It Works! Essential Oils on your hands or flex points—the feet, hands, and wrists.

How should I store It Works! Fractionated Coconut Oil?

Store the bottle upright with the lid tightly closed. Always store between 18°C-24°C (65-75°F) and keep out of direct light.

ESSENTIAL CARRIER OIL

FREQUENTLY ASKED QUESTIONS

I already have a coconut or vegetable-based carrier oil; can I use it with the It Works! Essential Oils?

While It Works! Essential Oils can be used with other carrier oils, It Works! Fractionated Coconut Oil is the perfect companion for your It Works! Essential Oils!

Can I use It Works! Fractionated Coconut Oil on children?

All It Works! products are recommended only for adults 18 years old or older. Please keep It Works! Fractionated Coconut Oil out of the reach of children. It is for external use only and not for consumption.

Can I use It Works! Fractionated Coconut Oil if I have a medical condition or if I'm taking prescription medication?

If you have a medical condition, health concern, or are taking prescription medications, we strongly recommend you consult your physician before using It Works! Fractionated Coconut Oil.

Can I use It Works! Fractionated Coconut Oil if I am pregnant or nursing?

Before using any new product, whether a nutritional supplement, topical cream or treatment, or any other item, you should always consult your physician to find out if it is safe for you.
