PREVENTAGE™ DAY CREAM GEL

FREQUENTLY ASKED QUESTIONS

What is PreventAge?

PreventAge is a moisturising cream gel that is rich in botanical extracts and vitamins to help minimise the appearance of fine lines and wrinkles caused by sun exposure and environmental pollutants.

What are the benefits of PreventAge?

PreventAge hydrates and nourishes the skin to help minimise the appearance of aging. It uses soothing botanical extracts - like aloe, green tea, and camomile - to help minimise the appearance of fine lines and wrinkles caused by sun exposure and environmental pollutants. Plus, it leaves skin feeling silky smooth.

How should I use PreventAge?

For a complete skin-revitalising regimen, apply PreventAge as your day moisturiser after washing your face with Cleanser and misting with Toner. In the evenings, apply RepairAge™ as your night moisturiser after cleansing and toning your face.

What type of skin is PreventAge formulated for?

PreventAge is good for all skin types, dry or oily, and for both men and women. It is especially designed for usage in and around the facial area.

Is PreventAge safe for me to use if I am pregnant, nursing or have an ongoing medical condition?

Before using any new product, whether a cosmetic, topical cream or treatment, or any other item, you should always consult your physician to find out if it is safe for you.

I have sensitive skin. Is it still safe for me to use this product?

We recommend always patch testing an area of your inner arm first prior to applying topically. If you are concerned about any allergy issues, consult your physician before using any skin care products.

Can my children use this product?

All It Works! products are recommended only for adults 18 years old or older.
