**Caution:** Do not use this product if you are pregnant. Rare, unpredictable cases of liver injury associated with green tea extract-containing products have been reported in Canada and internationally. Consult a health care practitioner prior to use if you are breastfeeding, or have a liver or kidney disorder or iron deficiency, stomach ulcers or inflammation. Consult a health care practitioner if symptoms persist or worsen. Stop use and consult a health care practitioner if you develop symptoms of liver trouble such as yellowing of the eyes / skin (jaundice), stomach pain, dark urine, sweating, nausea, unusual tiredness or loss of appetite. Call a Poison Control Center immediately if overdose or accidental ingestion occurs. Hypersensitivity / allergy may occur, in which case, discontinue use.

## DIRECTIONS

Adults: Take 2 caplets per day with food. Consult a health care practitioner for use beyond 12 weeks.

Individual results can and will vary. This product has been approved by Health Canada and has been assigned a NPN (#80090534).

# THERMOFIGHT X™

## NEXT GEN FAT BURN

### FREQUENTLY ASKED QUESTIONS

#### What is ThermoFight X?

ThermoFight X is a thermogenic, metabolic supplement that comes in a convenient, twice-a-day caplet form. It contains active ingredients to target stored calories in the form of fat. ThermoFight X is ideal for keeping your weight in check - helping your body fire up metabolism to burn more fat.

#### Why should I take ThermoFight X?

ThermoFight X is a simple and convenient way to manage your weight, stop your plateau, and fire up your metabolism with just two caplets each day!

#### Why is ThermoFight X noted as a next-generation fat burner?

While powering up your metabolism, ThermoFight X also supports thermogenic results. With cutting-edge ingredients like the powerful green tea extract, it targets stored fat and puts your body into burn mode, while also helping to balance your blood sugar and reduce sugar cravings. Now that's a next gen product!

#### What are the exciting active ingredients in ThermoFight X?

ThermoFight X contains many cutting-edge ingredients to support thermogenesis and more:

- Green Tea – A thermogenic catalyst that helps burn stored fat
- Green Coffee Bean – An antioxidant superfood that provides phytonutrients
- Caffeine – An energy driver that helps release fatty acids and boosts metabolic rate
- Chromium – A blood glucose balancer to help keep sugar cravings under control

#### What is thermogenesis?

Thermogenesis is the natural metabolic process your body uses to burn stored calories, a.k.a. fat! Specialised fat cells convert the stored fat around the body and release it as heat. Powering up your thermogenic rate can boost your fat metabolism (or calorie burn) and aid in weight management - this helps to burn more stored energy from the fat cells in your body!

#### How many ThermoFight X caplets should I take each day?

It is recommended that you take one caplet in the morning and a second caplet in the afternoon each day, with food. Since ThermoFight X can also energise your body, we do not recommend taking your second caplet within four hours of your bedtime.

#### How many ThermoFight X caplets come in a bottle?

Our new formula contains even more - each bottle offers a full month's supply of 60 caplets!

#### Is ThermoFight X vegan?

Yes, ThermoFight X is vegan. It's also keto friendly, soy free and non-GMO.

#### Can I use ThermoFight X if I am pregnant, nursing, or have ongoing medical conditions?

Before using any new product, we suggest that you consult your physician to find out if it is right for you.

#### Can I give ThermoFight X to my children?

ThermoFight X is recommended only for adults, ages 18 years and older.
