DIRECTIONS

Adults: Take two caplets per day with food. Consult a health care practitioner for use beyond 12 weeks.

CAUTION: Consult a health care practitioner prior to use if you are breastfeeding, have a liver disorder or iron deficiency, stomach ulcers or inflammation, a kidney disorder and / or diabetes, or if you are taking any other medications or natural health products as black pepper / piperine may alter their effectiveness. Stop use and consult a health care practitioner if you develop symptoms of liver trouble such as yellowing of the skin / eyes (jaundice), stomach pain, dark urine, sweating, nausea, unusual tiredness and / or loss of appetite. Call a Poison Control Center immediately if overdose or accidental ingestion occurs. Consult a health care practitioner if symptoms persist or worsen. Do not use this product if you are pregnant. Rare, unpredictable cases of liver injury associated with green tea extract-containing products have been reported (in Canada and internationally). Stop use if hypersensitivity / allergy occurs.

WARNING: Keep out of reach of children. Protect from heat, light and moisture. Store at 15 - 30°C. Do not use if safety seal is broken or missing.

NEXT GEN FAT BURN 2.0

FREQUENTLY ASKED QUESTIONS

Why should I take ThermoFight X^x?

By taking just two caplets each day, ThermoFight X^x provides a simple, convenient way to help you lose weight through fat-burning thermogenesis!^{*} This premium formula includes powerful Green Tea extracts—plus increased levels of Caffeine and Cayenne Pepper to help you achieve and maintain your weight-loss goals.*

What are the active ingredients in ThermoFight X^x?

ThermoFight X^x contains cutting-edge ingredients to support thermogenesis and weight management, such as:

- **Green Tea** – A thermogenic catalyst that burns stored fat
- **Green Coffee Bean** – An antioxidant superfood that provides phytonutrients
- **Caffeine** – An energy driver that helps release fatty acids and boost your metabolic rate
- **Chromium** – A blood glucose balancer that helps keep sugar cravings under control
- **Cayenne Pepper** – Traditionally used in Herbal Medicine to aid digestion
- **EGCG** – A thermogenic catalyst that accelerates fat burning

What is thermogenesis?

Thermogenesis is the natural metabolic process your body uses to burn stored calories, a.k.a. fat! During this process, specialised fat cells convert the stored fat around your body and release it as heat. By powering up your thermogenic rate, you can boost your fat metabolism (or calorie burn) to aid weight loss by burning more stored energy!^{*}

How many ThermoFight X^x caplets should I take each day?

It's recommended to take one caplet in the morning and a second caplet in the afternoon each day with food. Since ThermoFight X^x can also support energy levels, we don't recommend taking your second caplet within four hours of your bedtime.

Does ThermoFight X^x contain gluten?

ThermoFight X^x is made with only gluten-free ingredients. It is not currently tested to detect gluten that may or may not be introduced during the manufacturing process.

Can I use ThermoFight X^x if I am pregnant, nursing, taking medications or have ongoing medical conditions?

Before using any new product, we suggest that you consult your physician to find out if it is right for you. Not recommended for those sensitive to caffeine.

Can I give ThermoFight X^x to my children?

ThermoFight X^x is recommended only for adults, ages 18 years and older.
