ULTIMATE BODY APPLICATOR CONTOURING WRAP

FREQUENTLY ASKED QUESTIONS

What is the Ultimate Body Applicator?

The Ultimate Body Applicator is a non-woven cloth wrap that is infused with a powerful, botanically based cream formula to deliver tightening, toning, and firming results! The botanical ingredients help to deeply hydrate and nourish the skin while redefining the appearance of your body's contours.

How do I use the Ultimate Body Applicator?

The Ultimate Body Applicator comes in a versatile shape that can be applied wherever you choose to see results, such as the stomach, sides, back, upper arms, thighs, or lower legs.

To use the Ultimate Body Applicator, simply open one individual pouch, remove the cream-infused cloth wrap, and unfold it. Place the cream-infused side of the wrap against your skin on the area of your body where you wish to see results.

Secure the Ultimate Body Applicator in place with form-fitting clothing, plastic wrap, or, for best results, use Fab Wrap! You can apply the Fab Wrap by wrapping it around the Applicator you've applied. The Fab Wrap will cling to itself to keep that crazy wrap thing snugly in place! Leave the Applicator on for 45 minutes, then remove and discard. Rub any remaining cream formula into the skin. Enjoy your results!

Be sure to check the area where you applied the Ultimate Body Applicator every day following to track your results. The formula gives you progressive results with continued use.

How does the Ultimate Body Applicator work?

While many body wraps simply cause water loss, the Ultimate Body Applicator uses a botanically based cream formula that, when applied to the skin, gives you tightening, toning, and firming results that last with continued use. The botanical ingredients help to deeply hydrate and nourish the skin while redefining the appearance of your body's contours. These cutting-edge ingredients work to give you visible results, while other ingredients in the formula continue to work leading to progressive results with continued use.

How often can I use the Ultimate Body Applicator?

We recommend you use a new Ultimate Body Applicator once every 72 hours. The formula in the Ultimate Body Applicator works progressively, giving you fast and lasting results with continued use. Each individual Ultimate Body Applicator can only be used once and should be discarded after use.

How long should I leave on the Ultimate Body Applicator?

If it is your first time using the Ultimate Body Applicator, we recommend that you only leave it on for 45 minutes to test your skin's sensitivity to the ingredients. For best results, use Defining Gel daily between your Ultimate Body Applicator uses.

Can I wear the Ultimate Body Applicator overnight?

Just 45 minutes is all that is necessary, but you can wear the Ultimate Body Applicator longer. If it is your first time using the Ultimate Body Applicator, we recommend that you only leave it on for 45 minutes to test your skin's sensitivity to the ingredients.

ULTIMATE BODY APPLICATOR CONTOURING WRAP

FREQUENTLY ASKED QUESTIONS

Can I use more than one Ultimate Body Applicator at a time?

The Ultimate Body Applicator is intended to be used on one area of the body at a time. The Ultimate Body Applicator targets the specific area where it is applied, so using one wrap at a time on one area will allow your skin to absorb the formula more effectively.

What about for arms and legs? Is it okay to wrap them at the same time?

You may use the Ultimate Body Applicator on your arms or legs by cutting one wrap in half in order to promote symmetrical results. Depending on the size of your legs, you can choose to cut one Ultimate Body Applicator in half, or use one full wrap per leg. The Ultimate Body Applicator is intended to be used on one area of the body at a time. Wrapping your arms and legs at the same time is not recommended. Always wrap your arms, legs and stomach area separately.

What size is the Ultimate Body Applicator?

Each Ultimate Body Applicator is approximately 13" x 21" and comes in a versatile shape that can be applied wherever you choose to see results, such as the stomach, sides, back, upper arms, thighs, or lower legs.

How much water should I drink when I use the Ultimate Body Applicator?

We recommend that you drink at least half of your body weight (in pounds) in fluid ounces of water daily. Staying hydrated is key to helping you see results with the Ultimate Body Applicator.

How long do the results from the Ultimate Body Applicator last?

Results from the Ultimate Body Applicator are lasting with continued use. Applying Defining Gel, which can help improve skin's texture and tightness, between Ultimate Body Applicator uses can help ensure that you maximise and maintain your results. It Works! can make no specific guarantees or warranty of performance.

Is the Ultimate Body Applicator safe for me to use if I am pregnant, nursing or have an ongoing medical condition?

Before using any new product, whether a cosmetic, topical cream or treatment, or any other item, you should always consult your physician to find out if it is safe for you.

Is there an expiration date on the Ultimate Body Applicator?

The Ultimate Body Applicator has an 48-month shelf life within its individual sealed pouches. Once the sealed pouch of an individual Ultimate Body Applicator is opened, it must be used immediately. This ensures maximum effectiveness of the botanical extracts in the formula and that the cloth wrap is moist and saturated when you apply it.

How should I store my applicators?

We recommend that you store your Ultimate Body Applicators horizontally in a cool, dry place.

I have sensitive skin. Is it still safe for me to use this product?

We recommend always patch testing an area of your inner arm first prior to applying topically. If you are concerned about any allergy issues, consult your physician before using any skin care products.

Can my children use this product?

The Ultimate Body Applicator is recommended only for adults 18 years old or older.
