LIP & EYE MOISTURISING CREAM GEL

FREQUENTLY ASKED QUESTIONS

What is Lip & Eye and what is it designed to do?

Lip & Eye is a moisturising cream gel designed specifically for the delicate lip and eye area. This cream uses soothing botanicals to leave skin feeling soft and smooth, improving skin tone and texture, while creating a lifting tensor effect for a more youthful appearance.

What are the benefits of using Lip & Eye?

Lip & Eye uses moisturising ingredients, like Aloe, Jojoba Oil, Rose Oil, and Hyaluronic Acid to deeply hydrate and improve the look of your skin. It lessens the look of fine lines and wrinkles by creating a tensor effect for an even more beautiful you! The botanical ingredients may also soothe the under-eye area leading to a less tired look.

Can it reduce puffiness or bags under my eyes?

Lip & Eye provides a tensor effect. What does that mean? It means that Lip & Eye smooths the skin for a lifted appearance and restores it to its youthful radiance. This can help to lessen the look of fine lines and wrinkles, and tighten and firm the area under the eye to help minimise the baggy appearance. Pair with It Works! WOW for the ultimate “eye raising” results.

Is Lip & Eye safe for me to use if I am pregnant, nursing or have an ongoing medical condition?

Before using any new product, whether a nutritional supplement, topical cream or treatment, or any other item, you should always consult your physician to find out if it is safe for you.

I have sensitive skin. Is it still safe for me to try this product?

We recommend always patch testing an area of your inner arm first prior to applying topically. If you are concerned about any allergy issues, consult your physician before using any skin care products.

Can my children use this product?

All It Works! products are recommended only for adults 18 years old or older.
