What are some of the key ingredients in It Works! Keto Coffee?

It Works! Keto Coffee contains:

- **MCTs** – Medium Chain Triglycerides (MCTs) are fast metabolising, clean fats that help boost and sustain your energy output.*
- **Grass-Fed Butter** – It's a source of omega-3 fatty acids that helps fuel you up while adding a delicious, buttery flavour to your cup.
- **Collagen Peptides** – It's a protein that supports your low-carb, high-fat ketogenic diet.

*Contains calcium, which contributes to normal energy-yielding metabolism.

**Contains potassium, which contributes to normal functioning of the nervous system.

What is the ketogenic diet?

When your body is carb-deprived, it must source energy from somewhere else—so, in a state of ketosis, this energy is sourced from fat stored on your body instead.

A ketogenic lifestyle relies on ketones, a high-energy fuel source and natural derivative of fat metabolism. When your body doesn't receive enough carbohydrates from food to make energy, the liver turns to breaking down stored fat instead. That's when ketones are made—to help power up your mind and body.

Does It Works! Keto Coffee contain gluten?

It Works! Keto Coffee is formulated with only gluten-free ingredients. It is not currently tested for gluten that may or may not be introduced during the manufacturing process.

Can I give It Works! Keto Coffee to my children?

It Works! Keto Coffee is recommended only for adults 18 years or older.

Can I use It Works! Keto Coffee if I am pregnant, nursing, or have ongoing medical conditions?

It Works! Keto Coffee contains caffeine. Do not use it if you are pregnant, nursing, or have ongoing medical issues.
