DIRECTIONS

Start with clean, dry skin before applying the cream side of Toning Body Wrap to your skin and smoothing it down. To keep it secure, use Fab Wrap, plastic wrap, or tight-fitting clothing. Leave the Wrap in place for 45 minutes, then remove and rub any remaining cream into your skin. Wrap every 72 hours for continued and progressive results. If irritation occurs, please discontinue use.

Do not use on dry, damaged, or broken skin. Keep out of reach of children. Protect from heat, light, and moisture.

Individual results can and will vary. It Works! cosmetic products are purely cosmetic in nature and do not claim to cure/treat/prevent any skin & hair related disorders. If you are allergic to any ingredients listed, or are under treatment or on medication for your skin, please consult with your physician prior to use.

FREQUENTLY ASKED QUESTIONS

When should I use Toning Body Wrap?

Toning Body Wrap is ideal for defining and refining the appearance of problem areas when you need it most! The next time you need to squeeze into a little black dress or show your arms in a sleeveless top, try using Toning Body Wrap for a visibly firmer, smoother, more contoured appearance. It works great on targeted areas—like your stomach, upper arms, thighs, sides, back, and love handles—to help them appear more defined and to give your confidence a boost.

How do I use and store Toning Body Wrap?

To use Toning Body Wrap, start with clean, dry skin before applying the cream side of the Wrap and smoothing it down onto skin. To keep it secure, use Fab Wrap, plastic wrap, or tight-fitting clothing. Leave the Wrap in place for 45 minutes, then remove and rub any remaining cream into your skin. Wrap every 72 hours for continued and progressive results. If irritation occurs, please discontinue use.

Our non-woven cloth Toning Body Wrap provides excellent coverage on targeted areas and can be cut to accommodate smaller areas. Each Toning Body Wrap is intended for single use, and we recommend storing it in a cool, dry place.

Why should I use Toning Body Wrap?

There's no feeling quite like confidence—and on days you need some reinforcement, Toning Body Wrap can help! Our Toning Body Wrap formula is dermatologically tested, features active botanicals and ingredients backed by science, and delivers progressive results with continued use. It's simple and it works! In as little as 45 minutes and from the comfort of your own home, wrap to enjoy a smooth, soft, contoured appearance. Try using Toning Body Wrap on a day you desire results, then continue wrapping every 72 hours for maximum effect!

PRO TIP:

Drink plenty of water while you wrap, so you can stay hydrated and experience ideal results.

What are some of the key, active ingredients in Toning Body Wrap?

Toning Body Wrap is created with quality, results-driven ingredients, including:

- **Seaweed** – A mineral-rich sensation that conditions skin while forming a natural, nourishing, protective barrier
- **Green Tea** – Delivers a fast-acting, tightening effect so skin appears firm and defined
- **Guarana** – Helps soften and smooth skin to provide an elegant, contoured appearance
- **Rosemary Leaf Oil** – Soothes and revives skin while providing deep hydration

Does Toning Body Wrap really work?

Satisfied Wrappers everywhere love how Toning Body Wrap delivers visible, reliable results in as little as 45 minutes. Toning Body Wrap is our flagship product for a reason—it's unique and effective, and it put us on the Wrap map! With a powerful, proprietary formula that now features even more Seaweed, Green Tea, and Guarana, you can wrap every 72 hours and experience progressive results with continued use. For maximum impact, apply Defining Gel on non-wrap days for skin that appears smooth and defined.

Can I use Toning Body Wrap if I have sensitive skin?

Before using Toning Body Wrap, we recommend patch-testing an area of your inner arm. Discontinue use if any irritation occurs. If you're concerned about allergy-related issues, please consult your physician before using Toning Body Wrap.

Can I allow my children to use Toning Body Wrap?

Toning Body Wrap is recommended only for adults ages 18 and older.

Can I use Toning Body Wrap if I am pregnant, nursing, taking medications, or have a medical condition?

Before using any new product, we suggest consulting your physician to find out if it is right for you.
